Dear Sirs,

Subject: USFDA inspection at Indoco Remedies Limited’s Solid Oral Formulation Facility (Plant 1) at Goa.

We would like to inform you that the United States Food and Drug Administration (USFDA) has conducted GMP inspection of the Solid Oral Formulation Facility (Plant 1) at Goa. The inspection was conducted from 16th January, 2023 to 20th January 2023.

The USFDA has issued Form 483 with 9 observations, which will be addressed within stipulated time. We believe that this will not have an impact on the supplies and the existing revenues from this facility.

The Company is committed to maintain compliances across all our facilities with cGMP quality standards at all times.

This is for your information and record.

Thanking you,
Yours faithfully,
For Indoco Remedies Limited
